MSC Divina: Dazzling, Divine and Sailing the Caribbean Year-Round

As she sails the turquoise waters of the Caribbean, MSC Divina shines with true Mediterranean elegance and style. A diva-worthy grand entrance features two dramatic Swarovski crystal staircases and a classical quartet to welcome you. Divinely inspired by Sophia Loren--the godmother of our fleet--our ship includes the one and only luxury suite at sea designed by the screen legend herself. The Sophia Loren Royal Suite is located within MSC Divina's private enclave, MSC Yacht Club, now available in the Caribbean year-round.

Blue skies and warm waters every month of the year invite you to explore the many charms of one island paradise after another, as well as the wonders on board. Relax by The Garden infinity pool overlooking the ship's wake. Or stroll past the 150 fountains of the Aqua Park with poolside gelato bar.

Imagine sipping a mimosa at brunch in the new Galaxy club restaurant with sweeping panoramic views. Or follow the piano music to the Italian piazza for a cocktail, conversation and shopping. And don't forget the bliss of a Balinese massage in the exotic MSC Aurea Spa, graced with natural stone and wood finishes and floor-to-ceiling ocean views.

Whether you choose a luxury suite in the private enclave of MSC Yacht Club, or a Balcony Stateroom with luminous views, you're sure to enjoy a voyage like no other in the Caribbean, any time of the year.
